TRUTH

We are currently streaming every worship service on our usual schedule at its regularly scheduled time over our radio station WFEL 99.9 FM and on the front page of our Faith website. Being able to count attendees worshipping over the air-waves is impossible for man but not for our gracious, Heavenly Father.

"Yet a time is coming and has now come when the true worshippers will worship the Father in the Spirit and in truth, for they are the kind of worshippers the Father seeks."

John 4:23

Prayer of the Week

Creator of all things, Ruler through governments instituted to check evil and encourage good, cause people everywhere to respect law and justice and to create and enforce legislation where officials govern with fairness. Give wisdom and restraint to those who bear arms and are entrusted with authority for the sake of peace and order. Where people are unjust, inhuman, and cruel, send correction. Where people are at war, send peace. Where men and women profit at the expense of others' welfare, send relief. Give everyone a desire to live in the freedom of your gospel. Silence the ignorance of foolish people, that all may hear your voice; through Christ, our Lord. Amen
