Need: Desk Back Pack
1 yd. of 45" wide material

- ① Take the material and fold it lengthwise with right sides together and sew $\frac{1}{2}$ " seam.

- ② You should have a 45" long piece of material that is inside out - turn it right side out.

3. Sew the top of one side together by folding in a $\frac{1}{4}$ " and stitching across.

fold in $\frac{1}{4}$ "
stitch across

fold in and
sew across the bottom
 $\frac{1}{4}$ " IN AS WELL.

4. Now fold the material in thirds like a fan.

- ⑤ After it's folded, then sew $\frac{1}{2}$ " down both sides through all three thicknesses.
