Desk Back Pack  
Need: 1 yd. of 45" wide material

- ① Take the material and fold it lengthwise with right sides together and sew  $\frac{1}{2}$ " seam.

- ② You should have a 45" long piece of material that is inside out - turn it right side out.

3. Sew the top of one side together by folding in a  $\frac{1}{4}$ " and stitching across.

fold in  $\frac{1}{4}$ "  
stitch across

fold in and  
sew across the bottom  
 $\frac{1}{4}$ " IN AS WELL.

4. Now fold the material in thirds like a fan.

- ⑤ After it's folded, then sew  $\frac{1}{2}$ " down both sides through all three thicknesses.
